what we do...

SHA Associates is a small business development consultancy with a big reputation

We help small to medium sized companies to target key decision-makers and open doors to new commercial opportunities.

Our services include:

- B2B telemarketing
- Customer relationship and pipeline management
- Lead generation
- Customer satisfaction surveys
- Seminars, workshops and event management
- Candidate sourcing and telephone interviews

“Over the years Sue has worked with me and covered a number of roles her strengths are persistence, total dedication to the cause and focus.”

“I would definitely use her services again and have no hesitation in recommending her to others.”
